POLICY

1. CASUAL ONSITE PARKING

Parking is limited to marked bays within the centres' boundaries, defined by surrounding footpaths.

These spaces are reserved for users of the centres only. Notices will be issued and registration numbers noted for violations and unauthorised usage of the car park.

No parking is allowed on grass, loading zones or footpaths.

1.1 Ainslie Arts Centre Turn Circle

Parking in the front turn circle off Elouera Street is monitored.

Users of the Ainslie turn circle are advised that it is a shared zone. Drivers are urged to navigate the area cautiously, including driving and reversing out of parking bays slowly, and to remain vigilant of pedestrians and other users as they enter and exit the car park.

There are three (3) designated accessible parking bays within the turn circle. A valid permit must be clearly displayed when using these bays.

1.2 Gorman Arts Centre Turn Circle

Parking in the turning bay off Ainslie Avenue is monitored.

Users of the Gorman turn circle are advised to exercise caution due to its narrowness. Please park as close to the curb as possible to facilitate ease of navigation for others. Additionally, parking as far along the turn circle as feasible will assist in allowing subsequent vehicles to enter and park efficiently behind you.

2. OFFSITE PARKING

Offsite parking is available beyond the boundaries of the centres, which are delineated by the surrounding footpaths. At Ainslie Arts Centre, street parking can be found on the adjacent streets. At Gorman Arts Centre, both ACT Government paid parking along Batman Street and additional street parking options are available. Please note that these parking facilities are not managed by Arts Capital and should be used in accordance with ACT Government signage and regulations.

3. DEDICATED ONSITE PARKING

Dedicated parking bays are available in the Elder Street Car Park, a secure facility located off Elder Street, behind Ainslie Arts Centre. Access to this car park is granted through a signed agreement with Arts Capital and is available from 7:00 am to 5:00 pm, Monday to Friday (Business Days). Entry during these hours is controlled by a remotely operated boom gate.

Revenue generated from this car park contributes to its maintenance and for the operational costs of both Ainslie Arts Centre and Gorman Arts Centre.

To secure a bay in the Elder Street Car Park, potential patrons must:

- contact Arts Capital;
- fill out the application form;
- return the signed form; and
- complete the deposit payment for a remote before contract start date.
