Hello again Gorman resident user group,

As most of you will be aware (Arts Capital will have been in touch with relevant residents), the project architects need to do some studio/office/block visits over the next 2 weeks, in order to progress their detailed designs. Thank you for your ongoing cooperation and agreeing to days/times for access. They require a very short amount of time to take some reference photographs and make some notes, as each studio and office is different!

Nothing else to update at this stage, as always please reach out if you have any questions or concerns

Best wishes

Toni
